### **EXPERIENCE**

IT ADMINISTRATOR

AL MANA VENTURES & AL MANA INVESTMENT

2022 - PRESENT

As an IT Administrator, I optimized the IT infrastructure, managed servers and networks, ensured security, and handled technical support. I also oversaw data backups, enforced IT policies, coordinated with vendors, and provided user training. Additionally, I worked on and maintained the company's website, managed the email, and handled

graphic design tasks.

IT / EXECUTIVE SECRETARY

2015 - 2022

QATAR GREEN LEADERS

As an IT/Executive Assistant, I am responsible for providing comprehensive technical support and administrative assistance to the executive team. My role involves managing and troubleshooting hardware and software issues to ensure seamless operation of IT systems. By combining technical expertise with organizational skills, I support the executive team in driving strategic initiatives and enhancing

overall operational efficiency.

IT / COMPUTER INSTRUCTOR

2009 - 2015

OUR LADY OF TRIUMPH INSTITUTE OF TECHNOLOGY

As an IT Administrator and Computer Instructor, I managed IT systems, ensured network security, and provided technical support. I also developed and delivered training programs to enhance users' IT skills and troubleshoot issues effectively, ensuring smooth operation and improved technical proficiency across the organization.

## **EDUCATION**

MISAMIS UNIVERSITY

BACHELOR OF SCIENCE IN INFORMATION TECHNOLOGY

2003 - 2007

Graduated with a Bachelor's degree in Information Technology from Misamis University, Philippines, where I developed a strong foundation in network administration, system security, and software development. My education equipped me with essential skills in technical support, and IT project management, preparing me for a successful career in technology.

JOSE RIZAL STATE UNIVERSITY

MASTER OF SCIENCE IN INFORMATION TECHNOLOGY

2013 - 2015

Undergraduate coursework towards a Master's degree with a major in Information Technology at Jose Rizal State University, Philippines. My studies focused on advanced IT concepts, including network security, data management, and systems analysis, enhancing my expertise in technology and strategic IT solutions.
